AMEND Senate Bill No. 354*

House Bill No. 800

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 62-2-401(a), is amended by adding the following as a new, appropriately designated subdivision:

() A person who holds a master's degree in engineering from an institution with an engineering program approved by the board as being of satisfactory standing, and with a specific record of four (4) years or more of progressive experience on engineering projects of a grade and character which indicates to the board that the applicant may be competent to practice engineering, and who has obtained certification as an engineer intern, shall be admitted to a minimum eight-hour written examination, prepared by the National Council of Examiners for Engineering and Surveying, in the principles and practice of engineering. Upon passing such examination, the applicant shall be granted a certificate of registration to practice engineering in this state, provided the applicant is otherwise qualified.

SECTION 2. This act shall take effect July 1, 2007, the public welfare requiring it.
